

# YOU'RE GETTING A DIVORCE HOW TO TELL THE KIDS

## TELL

We have made the choice to divorce because we think it is what will be best for our family.

## AFFIRM I

We both love you and will always love you. Nothing about this changes that. We are going to work together to make sure that you are safe, loved and taken care of..

## AFFIRM II

We will always be a family. Each of us has a special relationship with you. You can love us both and never feel that you have to choose between us just like each of us loves you and your brother/sister uniquely.

## REMEMBER

Affirm your commitment through your actions. Listening is more important than responding. All feelings are okay. Every child responds differently to divorce.
